

Introducing...

# WINDFALL

## WINE ESTATE

**“Probably the only people around who managed to turn a windfall into a way to work harder!”**

**Ivor:** Ivor is our Reserve Merlot. Named in honour of Julie’s grandfather, Ivor “Dah” Williams, who originally purchased the Estate in 1949 after receiving compensation money from the loss of his hand while a member of the VDC during WWII. A wine of distinction, it is only fitting that it is named for Ivor - a loving grandfather, a smart business man, and the reason Windfall Wine Estate calls the wonderful Geographe region home.

**Single-handed:** Single-handed is named in honour of Dah’s achievements, who, despite the loss of his hand successfully built a business of his own, acquiring property across the region. It is also an acknowledgement of Julie and Phil’s success, turning a lotto win into a thriving Merlot vineyard and beautiful wines. Taking their windfall and running with it, Julie and Phil have worked tirelessly, planting and grafting the vineyard themselves by hand.

**Frog Song:** Frog Song is our tribute to ‘Bonking Frog’, and the diverse and healthy frog species that populate our property. Maintaining a healthy frog population has always been important to us, and over the last seven years we’ve become interested in biodynamic principles, which we now follow. It is our great joy to hear the variety of frog songs singing out, an indication of how our efforts are positively impacting the environment.
